

I have been listening to K-love for the past 3 years. K-love is the only Christian Radio station in my area, that is only music. Everyone I know listens to K-love, it's part of our lives. We enjoy having Christian Radio that is uplifting and that has the same moral values as we do. K-love is a great way to keep children from listenig to music that is violent and sexually oriented, becasue the music on K-love is very appealing and "up to date" teens, adults and children find it to their liking. If we were to loose K-love it would have a detremental effect on the community, not to mention it would leave a big void in our lives. We are contributors to K-love, by sending a monthly pledge. This is our station and it would not be fair to take it away from us. Please do the right thing,do not be the ones responsible for ruining a tool of God, I know I wouldn't want to be the one responsible for that decision.
